

## The **KT1780** - The **UK Specific** Voltage Tester with **LED display**

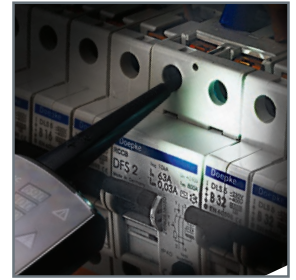

- NEW Clear oversize LEDs
- NEW Bright torch light
- NEW Clear audible tone
- NEW UK Specific probe tips
- Complies to the latest International Standards

### Clear Indication

Indication lights shine through voltage level

### Built in Torch

Brilliant white light gives ample illumination

### Phase Rotation

Bright green LEDs show left or right rotation

### Slender Probes

Fits into recessed terminals such as RCBOs without unscrewing any caps
